2. Once the student is inside CASHNet, they need to click on “Add New” in the Parent PINs box on the bottom left side of the page.
3. Fill out the web document. An email will be sent to the parent with a login and a temporary password.
4. Once the parent has received the email with the login and temporary password, the parent will go to http://www.udallas.edu. At the top, scroll over the Parents & Families tab to get a drop down Menu, and click on CASHNet.
5. Use the login information that you received in the email. Once you sign in, the system will require that the password be changed.

The parent or authorized user will be able to see the financial information for the student.

Credit Card Policy:

All credit card payments for tuition, fees, and room/board will be subject to a 2.75% convenience fee. We accept cash, check, electronic check, VISA, MasterCard, Discover, or American Express. There are no fees charged for electronic checks. For more information on the convenience fee and payment options, visit our website at: http://www.udallas.edu/offices/sas/creditcard.html.

The Business Office no longer accepts credit or debit card payments in person or by telephone. For the convenience of the students, payment kiosks have been set up outside the Business Office.
