Welcome to the University of Dallas!

Before you know it, you will begin a new, challenging phase of your life by joining an academic community where intellectual pursuit, social interaction and spiritual growth merge to create a very distinctive college experience.

As a confirmed new student for the fall 2016 term, there are a few more important documents that you are required to complete prior to your arrival on campus. Some forms pertain to the basic necessities while other forms assist with a smoother transition to college life. **ALL** of these forms and related information are available via a University of Dallas web page at: www.udallas.edu/offices/student-affairs/welcome_to_ud/new_student_forms.php

Check for web page updates throughout the summer.

Please keep in mind that completion of these forms is time-sensitive. You may want to review them with a parent. In brief, they are:

- **Admission History and Physical (PDF)** – This form typically takes the most time to complete as it requires a visit to the doctor's office for the physical exam and immunization sections. *(Please note the new state of Texas requirement of a meningitis vaccine for ALL new students under the age of 22.)* Others sections require medical history information, etc. Schedule your doctor's appointment soon. **You will NOT be able to select your classes until the entire form is received by the Office of Student Affairs. Room assignments for campus residents will not be final until receipt of this form.**

- **Medical Insurance Waiver (Online)** – All full-time undergraduates *(except seminarians)* are automatically charged for and enrolled in an annual student insurance program. However, there is a waiver option for the health insurance charge available for students who submit proof of current coverage directly to the insurance company. The **deadline** for waiver completion is **September 10, 2016.**

**IMPORTANT DATES:**
* August 3: Finalize plans for Tuition Payment
* August 19: Move In
* August 20 - 23: Orientation

**COMPLETE OR REVIEW THE FOLLOWING:**
* Admission History and Physical Forms
* Resource Information
* Parent e-newsletter sign-up

**CAMPUS CLARITY**
(late summer completion – separate email will be sent.)

**CAMPUS HOUSING REQUIREMENTS:**
* Housing Contract
* Housing Deposit *(via CashNet)*
* Admission History and Physical

Information regarding the roommate matching process will later be sent in a separate email.
Absence of a waiver form implies acceptance of the program and the related charge.

- **Sexual Assault Awareness and Prevention (Online)** - Sexual assault and domestic violence have no place on the University of Dallas campus. As such, we are requiring all University of Dallas students to take an online course about sexual assault and domestic violence. This online course contains basic statistics about sexual assault and domestic violence, as well as information on bystander awareness, situational awareness and the effects of alcohol consumption.

- **Residency Paperwork (Online)** – All undergraduate students (except seminarians) fall under the mandatory University of Dallas residency requirement and MUST complete one of the below forms.
  - Housing Contract - for those living on campus. Early submission (along with receipt of completed Admission History and Physical form, your $200 housing deposit and completion of roommate matching profile) helps greatly with placement in the hall of your choice.
  - Commuter Form - for those who qualify for official ‘commuter status’ under the mandatory residency requirement. Submission of the Admission History and Physical form is also still required.
  - Roommate Matching Profile – At a later date you will be sent a separate email with information and instructions.

**Friday, August 19, 2016** is the new resident move in date with Saturday the 20th being the first day of New Student Orientation. Please be advised that our primary means of communication with students is via email, so you are advised to check your messages periodically.

Feel free to contact the Office of Student Affairs at 972.721.5323 or via email to studentaffairs@udallas.edu with any questions or concerns.
