- 8.0 **Fees and Penalties** – No Covered Individual will be required to pay any penalty to the University, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a Covered Individual borrow additional funds, because of the Covered Individual's inability to meet his or her financial obligations to the University due

to the delayed disbursement of funding from the Department of Veterans Affairs under Chapter 31 or 33.

- 8.1 The University may require payment, and impose appropriate fees, holds, or restrictions, for a Covered Individual's failure to meet his or her financial obligations as to any amounts that are not covered by the Department of Veterans Affairs.
