Dear Kathryn Penland,

I am writing to cordially ask your department to assist our school with the recruitment of candidates for two full-time, junior high teaching positions for the 2018-19 school year. Your institution is known for its academic excellence and especially for its vibrant Catholic identity. Trinity Catholic Academy (TCA) in LaSalle, Illinois is an elementary-junior high school in the Diocese of Peoria. Currently, TCA has 217 students enrolled, and our enrollment continues to grow.

Candidates will need an Illinois educator licensure (PEL) with middle school endorsements. We're looking for practicing Catholics in good standing who are excited to live and share their faith in our school and parish family. Importantly, we feel it will be beneficial to reach out to Catholic colleges and universities to begin the recruitment process. We would love to talk with some of your education students from the Class of 2018.

Applicants can apply for the position at the diocesan website www.cdop.org. We'd be glad to hear from them directly as well. They can email me at dmyers@lasallecatholic.org or call the school at (815) 223-8523.

Sincerely,

Mrs. Deb Myers
Assistant Principal
