1982- Various

**c. Work in Progress (other than sabbatical topic)**

Biographical study of Edward Boyd Barrett. I have collected his major and most minor writings, and I have obtained documents from archives in Dublin, New York, Washington, and California. A first draft is completed.

Willpower and Will-training. A monograph in progress.

Historical Psychology: an overview of the major approaches and themes. In early stages.

Completion of "Making Pain," a book-length study of pain from 1846 to the present.

Thomas Verner Moore and the Establishment of the Child Clinic. I researched this project at the archives at the Catholic University of America. For a conference in the spring of 2014.

Psychology and the Soul—Again? Sabbatical project. Article or monograph.
