

Examples - Class Search: Choose a subject and any other search criteria you may want and press the “Class Search” button at the bottom of the screen. When the results screen appears, you can click in the box next to an available section and click “Register” at the bottom of the screen. Note: A “C” next to a section indicates that the class is closed.

Please note: You must look-up the course CRN number in Bannerweb in order to register. The CRN number (as you can see below) is different than the course number.
