All Fees are due by the “[Tuition Payment Due](#)” date. Students registering after this date must immediately pay the account in full, set up a payment plan, or have financial aid that will cover the account at the time of registration.

Admissions: The general enrollment fee will be posted to the student’s account in the first semester a student attends the University. At the same time, a \$400.00 matriculation fee will be charged to the student’s account. The general enrollment fee is designated to pay the matriculation fee.

Comprehensive Fee: The comprehensive fee, a mandatory fee charged each semester to all undergraduate students supplements on-campus services, resources, programming and events throughout the academic year. This includes but is not limited to student activities (intramural sports, clubs and organizations), fitness facilities (swimming pool, fitness center, recreation areas) health center, counseling center and technology resources (computer labs, printing, internet), all of which are available to University of Dallas students at little or no cost.

Interterm Session for Fall 2016: The Interterm Session for Fall 2016 courses are considered part of the Fall semester. This means that Fall financial aid can cover the Interterm Session for Fall 2016. The Interterm Session for Fall 2016 credit hours can be included in the flat rate for tuition. If you exceed 19 credit hours then you will be charged \$1,430.00 per each additional credit hour.

Health Insurance: If the student properly submits online proof of other health insurance, then the health insurance can be waived. The waiver deadline for the Fall of 2016 is September 10, 2016 and the deadline for the Spring of 2017 is February 4, 2017. If you would like further details, please contact the Office of Student Affairs at 972.721.5323. **The student health insurance fee for the Spring of 2017 is prorated for a student attending for the first time in the spring term.** If a student attends the University in the fall semester, they will **NOT** be charged again in the spring term.

International Health Insurance: International students attending on F-1 visas may enroll in a policy provided by the International Student Services Office. For further information, contact Joanne Rodriguez at jrodriguez@udallas.edu.

Yearbook Fee: The yearbook fee must be waived by September 9, 2016. This can be done online at <http://udallas.edu/sas/yearbook/index.php>

Additional questions may be directed to the Office of Student Affairs at 972.721.5323.

Audits: Students may be allowed to audit University courses with the permission of the instructor and the Registrar. No credit is awarded and laboratory privileges are not included. If a student desires college credit, the class must be repeated as a regular course at the regular tuition rate.

Refunds: UD now delivers all refunds to students electronically. BankMobile is the company that UD has partnered with to deliver this service. The student has two choices when determining how their refund is delivered. Payment Options

All payments for tuition, fees, deposits, and/or room and board may be paid online or in the Business Office. Payments received online must use electronic checks, Visa, MasterCard, AMEX, or Discover. If a debit or credit card is used as the form of payment, then there will be a 2.75% convenience fee (domestic cards) and 4.25% convenience fee (international cards) assessed per transaction. There is no fee charged for using electronic checks. Any payments received in the Business Office must be paid either by cash or check. All checks received in the Business Office for payment on the student account may be electronically deposited to the Bank. Individuals wanting to pay in the Business Office using a debit or credit card will be directed to the payment kiosks outside the entrance of the office.

Students that do not make payment arrangements for a semester will be deleted from the semester.

Payment in Full: Payment in full, or acceptable arrangements, are due by the payment deadline for each semester. Checks that are mailed or presented to the Business Office in person should be made payable to the University of Dallas. **Credit cards are only accepted online and at the payment kiosks in front of the Business Office.**

Students wishing to pay online have several choices. UD has the ability to accept electronic checks and credit cards online (Visa, MasterCard, Amex, and Discover). Parents wishing to pay online for their student must have their own ID and Password for the online payment system; the student sets this up. Further information may be found at the following link:
<http://www.udallas.edu/sas/parentinfo.php>.

UD Payment Plan: Those desiring to pay their charges by using the UD payment plan can go to the following website for additional information. <http://www.udallas.edu/sas/plans.php>. There is a \$60 enrollment fee for the UD payment plan per semester. Anyone with questions concerning the UD payment plan may contact Student Account Services located in the Business Office at 972.721.5144. Payments are due on the 15th of the month; any payment received later can be subjected to a late fee of \$60.00.

Foreign Currency Payments for International Students: The most efficient means for international students to pay their student account is through Western Union Business Solutions Bank to Bank transfer via CASHNet's Foreign Currency Payment Option. The University of Dallas has contracted with Western Union Business Solutions to provide this simple and secure payment option through CASHNet which allows you to choose a foreign currency and obtain a secure, competitive exchange rate. Please see our website for more information at: <http://www.udallas.edu/sas/foreigncurrency.php>.

Financial Aid: If the student's financial aid pays for the entire semester's costs, then the student receiving financial aid will be allowed to use this as payment for the semester. For any amounts on the account not fully covered by financial aid, other payment arrangements will need to be completed. The student must either cover the difference by paying in full at the time of registration, or by signing up for the UD payment plan.

Collections: A student with a delinquent account will be denied future registration, grades, transcripts, and diploma until all obligations are fulfilled with the University of Dallas. In the event that the student's account is placed in the hands of a collection agency or attorney for collection, the student agrees to pay reasonable collection fees, including court costs, as permitted by law.
